 Intro: **Dbm B E A B**

Dbm B
 It's strange, I gotta say
E
 We change and we stay the same
A
 We go our different ways

 I should have moved on far away

Dbm B E A
 Hear me from wherever you are
Dbm B E A
 And I'll tell you what I tried to hide
Am
 For so long

E
 You were my weakness
Dbm
 And you clearly don't know that.
A
 Why is it taking me so long?
B
 It might be too late

E
 You were my sorrow
Dbm
 I said maybe tomorrow
A
 I might tell you how I feel?
B
 But I never did

Dbm B
 I know we're far apart
E
 But it feels like I'm looking in your eyes
A B
 I wonder if these things ever cross your mind...

Dbm B

 Maybe I can have a chance

To try again
