                                               D|-----
Part 5
Chorus
No more lies end part
End part 2
                                               PART 4
Intro: Baixo afinado em D
                        riff 2 4x
                                       | Guitar END PART
ends (4X)
                                               play this part 4 times ... No more lies...
e|-----|-----|
-----
B|-----| END PART 2
LYRICS
D|-----5---|----10--- BASS INTRO
                                               GUITAR INTRO
A|-----5/-7------|-----8---
                                               -PART 1
But the systems that dissed us
dando pausas depois |dando pausas no final do riff |
                                               Teaches us to read and write
dos 2 toques. | na quarta vez não tem pausa. |
                                               So-called facts are fraud
                                               They want us to allege and pledge
   Riff 3
                         riff 4x
riff 5 6x
                                               And bow down to thier God
e|-----Lost the culture, the culture lost
-----|
                                               Spun our minds and through time
b|-----| İgnorance has taken over
                                               We gotta take the power back
g|-----Bam! here\'s the plan
                                               Mother fuck Uncle Sam
D|-----Step back, I know who I am
 -----
                                               Raise up your ear, I\'ll drop the style and clear
A|-----5/-7----5/-7----|-----7----5--6--7------|----| It\'s the beats and lyrics they fear
-----
                                               The rage is relentless
-6--5-----
                                               You are the witness of change
Aqui continua o riff 2, isso|na última vez termina na |----- And to counteract
------
                                               We gotta take the power back
é repetido em toda a
                     | nota que tem o x.
primeira parte da música.
                                               We gotta take the power back
Na segunda parte da música repete o riff 1 -> riff 2 -> riff 3 We gotta take the power back
até o refrão, daí vai pro riff 4. No solo repete o riff 3.
Quando acabar o solo faz o riff 5.Na parte 3 repete o riff 1
                                               -PART 2
                                               The present curriculums
Na parte 4 faz o riff 3.Faz o riff 2 no refrão e na parte que
                                               I put my fist in \'em
                                               Eurocentric every last on e of \'em
See right through the red, white and blue disguise
canta NO MORE LIES não tem baixo, faz esse riff abaixo quando
                                               With lecture, I puncture the structure of lies
falar o último no more lies.
                                               Installed in our minds and attempting
                                               To hold us back
                                               We\'ve gotta take the power back
      6x
                                               \'Cause holes in our spirit are causin\' tears and fears
                                               One-sides stories for years and years and years
GUITAR INTRO, SOLO, PART 5
                                               I\'m inferior? Who\'s inferior?
 play this part 8 times
                                               Yea, we needa check the interior
                                               Of the system who cares about only one culture
                                               And that is why
                                               We gotta take the power back
PART 1. 2
 play this part 15 times| Riff ends like this
                                               refrão
                                               -S0L0
bend last chord 1 full step | Riff ends like this
                                               -PART 3
                                               The teacher stands in front of the class
                                               But the lesson plan he can\'t recall
PART 3
                                               The student\'s eyes don\'t perceive the lies
```

Bouncing off every fucking wall His composure is well kept I guess he fears playing the fool The complacent students sit and listen to the Bullshit that he learned in school

-PART 4
Europe ain\'t my rope to swing on Can\'t learn a thing from it

Acordes

Yet we hang from it
Gotta get it, gotta get it together then
Like the mother fuckin\' weathermen
To expose and close the doors on those who try
To strangle and mangle the truth
\'Cause the circle of hatred continues unless we react
We gotta take the power back

Refrão -No more lies
