## Rag'n'Bone Man - As You Are

Ab You raised the lights when it was frightening Db Cm You calmed the storm when it was rising Ab Eb You found me there where I was hiding
Ab Bbm Ab All I have is here and now If the ground beneath our feet has disappeared Db I'll be here beside you, always be right near you Remember me, won't you?
Ab Eb Fm I know we've all got our problems And it's a blessing that we made it here so far Eb If you lay here in these arms tonight I promise Ab Bbm Ab I promise to take you, take you as you are Eb Fm When I was reaching out in the dark Cm When the streets below just looked so far Eb Fm When I forgot everything that I was Bbm Ab All I needed was your love If the earth beneath our feet is old and caves in For a second we will fight

When it's late in the evening, don't let me go, dear Ab Fb Fm I know we've all got our problems And it's a blessing that we made it here so far Eb And if you lay here in these arms tonight I promise Ab Bbm Ab I promise to take you, take you as you are Ab Eb Fm Take you as you are, as you are Db Cm Bbm Take you as you are, as you are Ab Eb Fm Ab Bbm Take you as you are, as you are, ooh (as you are) As you are Eb Fm Ab I know we've all got our problems Cm And it's a blessing that we made it here so far Eb And if you lay here in these arms tonight I promise (I Bbm I promise to take you, take you as you are Eb Fm I know we've all got our problems And it's a blessing that we made it here so far Fb If you lay here in these arms tonight I promise  $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left($ Ab Bbm I promise to take you, take you as you are (oh, Lord)
