

Raimundos - Seven Eleven

Tom: C

C Am
I met her at the 7-11 yeah

C Am
Now I'm in seventh heaven

F G
Tell me tell me can this be true

F G
I never thought I'd ever meet a girl like you

C Am
She was standing by the Space Invaders

C Am
So I said can I see you later

F G
Yeah we went for a little spin

F G
Down to the Holiday Inn

Am C
We was young and in love

Am C
We was young and in love

Am C G
And you're the only girl I'm ever thinking of

C Am
We went down to the record swap

C Am
The kids were dancing to the Blitzkrieg Bop

C Am
What ever happened to the radio

C Am
And where did all the fun songs go

F G
Summer fun with the Beach Boys on

F G
But we all know what went wrong

Am C
We was young and in love

Am C
We was young and in love

Am C G
And you're the only girl I'm ever thinking of

F G C Am
And so we went out to the dance

F G C Am
Which turned into a whole romance

F G
And after just one night

F G
I never thought that things could be so right

F G C Am
Oh no-no no no no-no no

(C Am)
I kissed and hugged her and I said goodbye

(C Am)
Last thing I knew she wouldn't make it alive

(F G)
Oncoming car went out of control

(F G)
It crushed my baby and it crushed my soul

(C Am)
Now all I got is sorrow and pain

(C Am)
Standing out here in the rain

(F G)
The crash, shattering glass, the sirens and pain

(F G)
It's driving me insane

Am C
We was young and in love

Am C
We was young and in love

Am C
And you're the only girl I'm ever thinking of (4x e fade out)

Acordes
