

Rain City Drive - Wish You The Best

tom:
Bm

Intro: Bm
I only wish you the best

Even though you're the worst

And when I'm feeling depressed

I miss the way that it hurts

[Primeira Parte]

Bm
Green eyes are gone

Can't fall asleep

I'm moving on with what's left of me

I'm waking up

From this fever dream

[Pré-Refrão]

Bm
We-we watered the flowers with gasoline

Now everything's dying in front of me

I fell in the fire

I love you but I'll never say so

[Refrão]

A Bm
I only wish you the best

Even though you're the worst

And when I'm feeling depressed

I miss the way that it hurts

I only wish you the best

Blurt it out like a curse

Yeah, I'm still so obsessed

Over this four letter word

And I know I'll never forgive you

But don't wanna forget

I only wish you the best

Even though you're the worst

And when I'm feeling depressed

I miss the way that it hurts

[Ponte]

Bm G
I only wish you the best

Wish you the best

Wish you the best

Wish you the best

I only wish you the best

Oh, oh

(I wish you the best)

Oh-oh-oh-oh)

[Final]

Bm
I only wish you the best

Even though you're the worst

And when I'm feeling depressed

I miss the way that it hurts

I only wish you the best

[Segunda Parte]

G
Hold on to lust, hold on in vain

Pictures of us

Keep me in pain

Acordes

Em
I'll turn to rust

If you let me stand inside your rain
