

# Rainbow Kitten Surprise - Goodnight Chicago

Tom: G

(com acordes na forma de F )

Capostrate na 2ª casa

Twenty years to see New York reflected on subway trains

'Bout twenty more I'll be forty-four, head back to Tampa Bay

I killed a man there, in spite, and when he died, I took his place

Eighteen made you callous to the kisses that you gave

A coarse exchange, a cause for blame, and I stood out in the rain

You killed a man there, and I cried, but the rain masked the hurt behind your face

By the way dear we're alive, and it hurts cause we survived it

Goodbye love, and good luck in life, and goodnight Chicago, die with a smile

You'd have loved her, loved her, but you won't, you don't know, no no no no no no

Don't shut down on me now, don't shut down on me

Don't shut down on me now, don't shut down on me

Don't wait until I drown to save me from it

Goodnight Chicago, I killed a man to make you love me

If the water's warm, filling up my head, I take

Another one, Lord knows it's hard to stay

Sober! When heaven's in your past and you have hell to pay

Sorry, I'm hung over, but I'm sorry that I'm late

Eighteen made you callous to the kisses that you gave

In one more I stood out in the rain

Goodbye love, and good luck in life, and goodnight Chicago, die with a smile

You'd have loved her, loved her, but you won't, you don't know, no no no no no no

Don't shut down on me now, don't shut down on me

Don't shut down on me now, don't shut down on me

Don't wait until I drown to save me from it

Goodnight Chicago, I killed a man to make you love me

Twenty years to see New York reflected on subway trains

'Bout twenty more I'll be forty-four, head back to Tampa Bay

I killed a man there, in spite, and when he died, I took his place

Don't shut down on me now, don't shut down on me

Don't shut down on me now, don't shut down on me

Don't wait until I drown to save me from it

Goodnight Chicago, I killed a man I killed a man, I

Don't shut down on me now, don't shut down on me

Don't shut down on me now, don't shut down on me

Don't wait until I drown to save me from it

Goodnight Chicago, Goodnight Chicago, Goodnight Chicago, Goodnight
