

Rainbow - Stone Cold

Tom: A

Intro: A Am G Am

Am

Every night i have the same old dream about

You and me and what's in between

So many changes, so many lies....try to run, try

To hide from everything that i feel inside

But i can't escape you, or your frozen eyes

Searching in the darkness.....fading out of sight

Love was here and gone like a thief in the night

Stone cold...and i thought i knew you so well

Stone cold....can't break away from your spell

Another dark and empty night..if i was wrong i wanna

Make it right.

But you are so distant, so far away.....your words like

Ice fall on the ground..breaking the silence without

A sound

Oh, familiar strangers with nothing to say

Searching in the darkness.....fading out of sight

Love was here and gone like a thief in the night

Stone cold....and i thought i knew you so well

Stone cold....can't break away from your spell

You leave me stone cold

Stone cold....and i thought i knew you so well

You're stone cold..ice cold..can't break away from

Your spell

You put me in the deep freeze..oh, baby, don't you leave me

Stone cold, you're leavin' me cold

Stone cold....can't break away from your spell
