

Rainier de Carvalho - Mandala

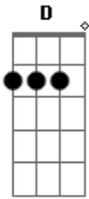

Tom: D

Num constante ^{Em} movimento circular ^{Bm}
 Viajando pelo espaço, nave mãe azul
 Cheia de encantos, seus rios, seus peixes
 Nave mãe sagrada

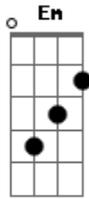

São tantas pedras lindas ^C e preciosas ^{Em}
 São tantos seus jardins ^C e roseirais ^{Em}
 Abismos e montanhas, desertos e florestas
 Campos secos, áridos
 Quantas geleiras
 Milhares de espécies do reino animal
 A flora exuberante e mananciais
 Farta nave mãe a nos alimentar

Reproduzindo a força que vem do sol e do luar
 Mandala criada pelo Grande Arquiteto Universal
 Louvemos a Terra, cantemos pra Terra Ah ah ah
 Aum... um oh oh oh oh oh
 Aum... um oh oh oh oh oh
 Na imensidão dos oceanos
 Espelho do teu criador
 Pérola sagrada serena
 Linda menina
 Louvemos a Terra, ouçamos a Terra Ah ah ah
 Aum... um oh oh oh oh oh
 Aum... um oh oh oh oh oh
 Aum... um
