

Raining Jane - From Me to You

Tom: **Ab**

Riff Principal

(Riff Principal)
Hello, goodbye
Good day, good night
Sunset, sunrise
Darkness, then light
Hold in, pour out
Rise up, fall down
Trees burn, new ground
(PAUSA)
Silence, then sound

(Mantem o Riff Principal com a base abaixo)

Eb
Ooooh
Ooooh
Ab
Ooooh
Ooooh

Eb
Empty, refill
Weak heart, strong will
Ab
Waiting until
Craving is fullfilled
Eb
Break down, break through
Worn out, renew
Ab
New life that grew
From me to you

(Riff Principal com base)

Forward, rewind
Limit, less time
Ab
Stacked up, stream line
Get ahead, fall behind
Eb
Let go, hold tight
Give up, fight fight
Ab
Love hard, soft cry
If you don't know, ask why
Eb
Heartache, rebound
Love seek, love found
Ab
Turn it up, turn it down
When you turn it all around
It's all the same within, without

Eb
Ooooh
Ooooh
Ab
Ooooh
Ooooh

You can't have one without the other
Ab
You can't know love without your brother

If I never was empty, then you never could fill me
If I never was empty, then you never could fill me
If I never was empty, then you never could fill me
If I never was empty, then you never could fill me
If I never was empty, then you never could fill me
If I never was empty, then you never could fill me
If I never was
