Always stiff, all day long
Nothing's right till it's all wrong

Gb G
It makes no sense until I'm tense
Always laughing at your expense

C B C B
Anxiety, anxiety, keeps me happy
Anxiety, anxiety, keeps me happy
(Nessa parte fica: C B C B)

Always biting on my nails
Always stiff, it never fails
Now I think I'll pick my nose
Wipe it on my sweaty clothes
Anxiety, anxiety...

Always screamin' at someone
Got a temper like a gun
Hair trigger personality
Anxiety, anxiety, keeps me hap-happy

I'm crazy, crazy, crazy in a crazy world

{ Gb G } x2

Anxiety keeps me high
Cross my heart and hope to die
