Tom: **C**

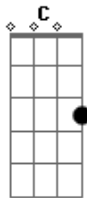

[**A** **C** **F** **G**] x2

A **C** **F** **G**
 He's go so many problems you can count them one by one
 He's a filthy, stupid apeman he never has any fun
 He lives in the jungle in a cave by a hill
 Plays an old loud drum he's primitive, barely human

A **G** **A**
 Ooohh-ooohh apeman hop

Ooohh-ooohh apeman hop
 Paint the face of a demon, glowing by the fire light
 Hoppin' like an elephant thunderin' like me tonight
 He's the world's worst recycler the iceman comes a lot
 He's the devil's apprentice he's a prehistoric man
 Ooohh-ooohh...
 At night he's gonna sacrifice his beloved apeman girl
 Tie her to the alter, pull out her heart and eat her flesh
 Ooohh-ooohh...
 Ooohh-ooohh...
