(intro 3x) **D A G**

**D**  
You know it's generally known

You got everything at home

And you don't come close  
You don't come close  
You don't come close

You bring out your souvenirs  
Soak them wet with your tears  
You lose your imagination  
Out of more aggravation

And you don't...

You turn red with rage  
**D**  
But act your age  
**G**  
Only thing that your regret  
**E A**  
You need more time to forget

You know it's...  
And you don't...  
You turn red...  
And you don't...

And you don't...

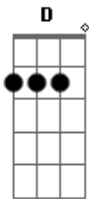

You don't come close  
You don't come close  
You don't come close

You don't come close
