  [C Db] x4

```
C            G                  A
Humankind, it's not fair, why should we all live in fear
Humankind, it's a test, to see who's the very best
Humankind, don't know why, no one cares who lives or dies

   People - starrin' at your clothes - I can't take it anymore
