

# Ramones - In The Park

Tom: **F**

[ **G** **Bb** **F** ] x3

**C**  
All dressed up an' the sun sets low  
**A**  
When the big bright moon shines a friendly hello  
**C**  
When my heart pants with lust like a Romeo  
**A** **F** **G**  
Like I am all messed up when the fireflies glow

I just wanna cuss and fight  
I am goin' out tonight  
Everything is out of sight  
It's gonna be all right

**C** **F** **G**  
I'm gonna hang out in the park

Hang out after dark  
I'm gonna be with the gang tonight

Under street lamps I will play  
After the school day  
When the troubles disappear  
I feel excitement is here

Kids in cars were cruisin' by  
The big bright moon smiles in the sky  
Music playin' that portable sound  
Everybody's hangin' all around

[ **G** **Bb** **F** ] x3

I'm gonna...  
I'm gonna be with the gang tonight  
I'm gonna be with the gang tonight  
All dressed up...  
I'm gonna...

## Acordes
