Ramones - She Talks To Rainbows

Tom: G

    Em

Em
She's a lost little girl in her own little world
She looks so happy but she seems so sad
G
Oh yeah oh yeah
Em
She's a lost little girl in her own little world
I'd like to help her I'd like to try
G   D
Oh yeah oh yeah

                 Em   G
She talks to birds she talks to angels
   D   C
She talks to trees she talks to bees
                 Em
She don't talk to me
            G   D
Talks to the rainbows and to the seas
        C   Em

She talks to trees she don't talk to me
Em
Don't talk to me

    Em
You know she drives me outta my mind
                 D   C
You know she drives me outta my head
Em
You know she drives me outta my mind
                 D   C
You know she drives me outta my head

She talks...

She's a lost...

She talks...

                    Em   G
She don't talk to me, don't talk to me
                    D   C
She don't talk to me, don't talk to me
