I might have a foreign object in my trunks I might hafta use

on that punk

Got the hardest hold you can put on anyone if you're my victim  
you're beaten

( E G Gb D Db C A ) x2

Started having second thoughts I was scared as hell  
The last thing I wanted was to hear them ring the bell  
I mean the Russian Bear could probably tear me limb from limb  
He'd probably grin be real happy with himself this is not good for my health  
I'm not coming out of the dressing room to get beaten up by that goon

Go back to russia go back home don't wanna get a broken bone  
Or a lump on my head ain't gonna hide under the bed

I'm the Crusher...

**E** I'm the Crusher **G Gb D Db C A**  
I'm the Crusher
