

Ramones - The Shape Of Things To Come

Tom: **Gb**

[**Gb** **A** **B** **Db**]

There's a new sun

Risin' up angry in the sky

And there's a new voice

Saying 'we're not afraid to die'

Let the old world make believe

It's blind and deaf and dumb

But nothing can change the shape of things to come

Db

There are changes

Lyin' ahead in every road

And there are new thoughts

Ready and waiting to explode

When tomorrow is today

The bells may toll for some

But nothing can change the shape of things to come

The future's comin' in, now

A

Sweet and strong

B

Ain't no-one gonna hold it back for long

There are new dreams

Crowdin' out old realities

There's revolution

Sweepin' in like a fresh new breeze

Let the old world make believe

It's blind and deaf and dumb

Gb **E** **Eb** **D**

But nothing can change the shape of things

Nothing can change the shape of things

Nothing can change the shape of things

Nothing can change the shape of things

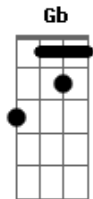

Gb

To come

[bend low **Gb** on guitar down]
