Tom: **E**

E **G A A** **A G E** x2
E **G A**
 It landed in a field in Idaho
A **A G E**

 And out of the dark walked a strange man

If you think it's a pack of lies
 I saw it happen with my own eyes
 A million miles from the Milky way
 A hundred years, a month, and a day

 Zero zero (zero zero) UFO
 Zero zero (zero zero) UFO

When media writes the neon lights
 Spaceship travels at the speed of light
 A million stars in the sky
 I here the Queen's on the alien's side

If you think it's a pack of lies...
