

# Ramzi - Love Is Blind

Tom: **D**  
Intro: **Bm Bm A Gbm G Em Gb4 Gb7**

Verso 1 :

I see you all the time , never see you smile  
I try to picture what's going on in your mind  
He leaves you every night by yourself  
He took your love and put it on the shelf  
He doesn't really care... how you feel...  
You should be moving on girl what's the deal?  
Cause girl you know you're worth much more  
I wanna see you out that door...

So baby tell me why you stick around  
Always lonely and you only wear a frown  
He don't treat you good and you know  
The only thing left is for you to go  
You shouldn't live a lie with someone  
When deep inside you know he ain't the one  
I don't know what to say no more  
I wanna see you out that door

Refrão:

Yah azizi (yo precious) is mahini (listen to me)  
I really don't wanna see u cry  
Mujko samjho dil peh mate lo (understand me don't take it to heart)  
Don't wanna see another tear in your eye  
Baby break away , let him go  
I don't know what he's done to you  
But I know that it's time to move on  
Girl your love is blind

Verso 2:

Girl I understand , that you're scared  
And you feel that you might never love again  
But baby that ain't true , No no no  
I know that there is someone there for you  
Someone that will see , that you are worth  
An undiscovered treasure on this earth  
Girl you know you're worth so much more  
I wanna see you out that door

Refrão:

Yah azizi (yo precious) is mahini (listen to me)  
I really don't wanna see u cry  
Mujko samjho dil peh mate lo (understand me don't take it to heart)  
Don't wanna see another tear in your eye  
Baby break away , let him go  
I don't know what he's done to you  
But I know that it's time to move on  
Girl your love is blind
