Chorus

I play the street life, because there's no place I can go  
Street life, Its the only life I know  
Street Life, and there's a thousand cards to play  
Street Life, untill you play your life away

Verse

You let the people see, just who you wanna be  
And everynight you shine, just like a superstar  
The type of life that's played, a temptin' masquerade  
You dress you walk you talk, You're who you think you are

Street life, You can run away from time  
Street life, For a nickel, or a dime  
Street life, But you better not get old  
Street life, Or you're gonna feel the cold

There's always love for sale  
A grown up fairy tale

Prince charming always smiles  
Behind a silver spoon  
And if you keep it young  
Your song is always sung  
Your love will pay your way beneath the silver moon
