When somebody reaches for your heart  
Open up and let them through  
Coz everybody needs someone around  
Things can tumble down on you  
You'll discover when you look around  
You don't have to be alone  
Just one lover, is all you need to know  
When you're feeling all alone  
Oh, oh, you might need somebody  
You might need somebody, too  
(You might need somebody too)  
You might need somebody  
You might need somebody, too

If there's fire stolen in you're heart  
And you're sure it's strong and right  
Keep it burnin? Through the cold and ice  
It can warm you're lonely nights

Oh, oh, you might need somebody  
You might need somebody, too  
You might need somebody  
You might need somebody, too  
(You might need somebody too)
