Everybody knows that down at ole Joe's
He's icing them long necks down
Dusting them stools off, racking them pool balls
'Bout to turn the closed sign round

Little later on, when the sun gets gone
Gonna be a crowd 'neath the neon lights

It won't be long 'til the good time's on

'Bout be get country round here tonight

[Refrão]

For all them boys in the fields making dollar bills
Stacking that hay up high
All them girls in the sand working on their tans
Down by the riverside

Getting through the day, hell, they just can't wait
To congregate round a cold beer sign
Tie one on to a jukebox song

'Bout to get country round here tonight

[Segunda Parte]

Oh there's a backed up line of four wheel drives
Filling up the parking lot
This little bar they call a hole in the wall

To swing wide open, let us all inside
