

Randy Travis - I Told You So

Tom: G

G
Suppose I called you up tonight,

Bm
And told you that I loved you,

C D G
And suppose I said I wanna come back home.

C G D Em
Bm
And suppose I cried and said I think I finally learned my lesson

A7 D
And I'm tired of spending all my time alone.

G Bm
If I told you that I realized you're all I ever wanted

C D G
And it's killing me to be so far away.

C G D Em
Bm
Would you tell me that you loved me too and would we cry together?

A7 D
Or would you simply laugh at me and say:

G Bm C
I told you so, oh I told you so.

Am D
I told you someday you would come crawling back

G D
and asking me to take you in

G Bm C
I told you so, but you had to go,

Am D
G
Now I found somebody new and you will never break my heart in two again.

G
If I got down on my knees

Bm
And told you I was yours forever

C D G
Would you get down on yours too and take my hand ?

C
Would we get that old-time feeling

G D Em Bm
Would we laugh and talk for hours

A7 D
The way we did when our love first began

G
Would you tell me that you've missed me too

Bm
And that you've been so lonely

C D G
And you've waited for the day that I returned

C
And we'd live and love forever

G D Em Bm
And that I'm your one and only

A7 D
Or would you say the tables finally turned

And would you say

G Bm C
I told you so, oh I told you so.

Am D
I told you someday you would come crawling back

G D
and asking me to take you in

G Bm C
I told you so, but you had to go,

Am D
G
Now I found somebody new and you will never break my heart in two again.
