Já é! Mistura de som, alquimia

A fórmula dessa magia

Dos mestres Dodô & Osmar

Axé! Já é! Carnaval já virou mania

Do Oiapoque ao Chuí tem Bahia

Samba-reggae, frevo, arrastão

E o trio, palco ambulante e febril

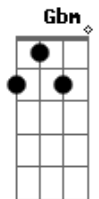

Que arde, arde em calor e tem a cara do Brasil

É carnaval, e sai do chão!

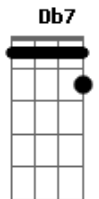

Balança a multidão o Trio-Elétrico

Guitarra elétrica, misturo com tambor

Esse toque baiano vem de Salvador!
