

Rascal Flatts - Riot

tom:

Intro: ^D ^A ^{Bm} ^G

^D ^A
I'd be riding in a cab going downtown
^{Bm}
Finding face I know in a big crowd
^G
Trying to drink the pain away
^D ^A
And I'd be staying out all night and never going home
^{Bm}
Girl you know I'd lose all control
^G
If I lost you

[Refrão]

^D
There would be a riot
Breaking up my heart
^A
I'd try to fight it
I could go out every night

^{Bm}
But I'd be lying
^G
If I said I could live and breathe
Without you
^D
There'd be a lot of lonely
^A
Wishing and praying you could hold me
^{Bm}
I would do most anything baby if only
^G
You would come back to me
^G
Come back to me
^D
There would be a riot

^D ^A
I'd be checking on my phone every minute
^{Bm}
Waiting 'round for it to start ringing
^G
And praying it would be you
I don't know what I'd do
