Ei Rastaman!

Cante, lute pela liberdade

siga o caminho de verdade,

que a luz do pai te guiará!

Ei Rastaman,

na babilônia reina a hipocrisia,

mantido pela tirania

querendo nos escravizar!

E eu peço pra você não me julgue mal,

crucificando minha aparência,

pois antes de tomar essa atitude

Bm

bote a mãe na sua consciência,

pois na Terra todos nós somos irmãos

assim nos ensinou o criador e

a sua injusta discriminação

não vai diminuir o meu valor.

Então eu vou dançar e balançar meus dreads,

sorrindo ao som do reggae, quando

ele tocar, dizendo aos hipocritas

da babilônia: Seu preconceito

nunca vai me intimidar!(2x)

Porque eu sou filho de Jah!
