Ohhhh, I was lying in the bed with fever  
And I was, burning up inside  
My baby walked, in my bedroom  
And I could hardly open my eyes  
She said that she was going to the pawnshop  
Just across the track  
She started packing some clothes in a hurry  
And then she said she would be right back  
But I ain't seen hide `nor hair of my baby, since that day,  
yeah  
Well I ain't seen hide `nor hair of my baby, since she went  
away  
I remember so well when she slammed the door  
But the girl didn't make it back no more  
I ain't seen hide `nor hair of my baby, since that day  
Well, I waited for 24 hours, and I was just about to starve to  
Death  
It didn't look like she was comin' back, so I had to look out  
for  
Myself  
Well I called, the police department, to find out what they  
knew  
They said, "No, by heck, but we will get her yet", because

they was  
Lookin' for her too  
Well I ain't seen hide `nor hair of my baby, since that day,  
yeah  
Well I ain't seen hide `nor hair of my baby, since she went  
away  
Well I don't know what happened a-cross the track  
But I know my baby didn't make it back  
I ain't seen hide `nor hair of my baby, since that day  
( A7 D7 Eb A7 )  
( B7 A7 D7 E7 )  
Well I called, my Dr. Foster, and when the girl answered the  
phone  
I got a funny feeling, the way she said Dr. Foster had gone  
She said, "He left with a lady patient, about 24 hours ago"  
I added two and two, and here's what I got: I got I'll never  
see  
That girl no more  
Well I ain't seen hide `nor hair of my baby, since that day,  
yeah  
But I ain't seen hide `nor hair of my baby, since she went  
away  
If Dr. Foster has got her, then I know I'm through  
Because he's got medicine and, money too  
I ain't seen hide `nor hair of my baby, since that day  
Whoaah, no
