

Ray Charles - I Believe To My Soul

Tom: E

Ebm
One of these days
And it won't be long
Ebm
You're gonna look for me
Abm
And I'll be gone'
Cause I believe
(I believe, yes I believe)
Ebm
I say I believe right now
(I believe, yes I believe)
B Bb
Well I believe to my soul now
You're tryin'
To make a fool of me
Ebm
(I believe it, I believe it)

Ebm
Well you're goin' 'round here
With your head so hard
Ebm
I think
I'm gonna have to use my rod
Abm
'Cause I believe
(I believe, yes I believe)

Ebm
I say I believe right now
(I believe, yes I believe)
B Bb
Well I believe to my soul now
You're tryin'
To make a fool of me
Ebm
(I believe it, I believe it)

Ebm
Last night
You were dreaming
And I heard you say
Ebm
"Oh, Johnny"
When you know my name is Ray
That's why
Abm
I believe right now
(I believe, yes I believe)
Ebm
I say I believe right now
(I believe, yes I believe)
B Bb
Well I believe to my soul now
You're tryin'
To make a fool of me
Ebm
(I believe it)
