

Ray x Ben - Be Someone

tom:
Intro: Em G A Em

I don't want to be around
If you don't want to tell me something
And I don't want to see you around
Cause you know you're gonna be someone
Gonna be some one else
And still it hurts to say
Yeah still it hurts to say
I need you

Em I walk along this earth
Living life in reverse
I walk as it all turns
I watch as the shit burns
Oh what have I learned?
It pays to be there first
So I'm waiting for my turn
To reach what we deserve

Oh, no, no, no
I won't go back there no more

Oh, no, no, no
You'll see I'm ready for war
Oh, no, no, no
You'll see I'm already show
Oh, no, no, no
You know what I am here for
Take a chance at a plan
I'll be man made till a made man
Take a chance at a plan
I'll be man made till a made man
Oh, no
Woah
Questions I have to be asking
I need you here right now
I don't want to be around
If you don't want to tell me something
And I don't want to see you around
Cause you know you're gonna be someone
Gonna be some one else
And still it hurts to say
Yeah still it hurts to say
I need you
