

RAYE - I Know You're Hurting

tom:
Intro: D Gbm E
Hmmm
Oh, da-da-da-va-vaaaaa

[Primeira Parte]

I can see you're standing on the edge
Your legs step on the ledge of life's
Afflictions, mm
I know you're a master of disguise, you are
Underneath that soft and gentle smile you put
On this morning
You give when you have little left to give
You ballroom dance with hollow "how are you's"?
How are you's"?
Your body aches from marching up your mountains
Ah

But you always keep pushing on, you always
Keep pushing on
I know life can be a bitch, so cold and mundane
And I'm thinking of you dear, I hope you're
Okay, ayy
Maybe there's a hole you're hiding somewhere
And you hide it so well, you do, I must saaaay

[Refrão]

But I, I, I know you're hurting
And deep down there, something's burning
If you need two more arms to hold these burdens
I am here
I said a prayer for you, I hope it's working
Please my dear
Don't stop believing in miracles, oh, oh, no

[Segunda Parte]

You'll always find some kind words for a
Stranger
I wish that you could find some for yourself
Yeah
You claw yourself apart in private moments
And all the bruises you put plasters on
While life has dealt another losing hand

Acordes

You bite your tongue, and tense your thighs to
Stand
You know that you can't be so strong alone, all
The time, so please stop
Trying to be so strong all alone, all alone
You don't have to do this all alone

[Refrão]

Even though I know, I know, I know you're
Hurting
I know that deep down there something's
Burning
I know if you need two more arms to hold
These burdens
I am here, I said a prayer for you, I hope it's
Working, please my dear
Don't stop believing in miracles

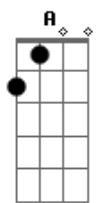

[Final]

I know it's hurting, it's just 6:30
I know it's hurting, I pray the lord have mercy
I know he's working, oh, oh, oh, oh, oh-oh
I know, I know, I know, I know, I know, I know
I know, I know, I know it's hurting
It's just one of those days
Ain't this a damn feeling?

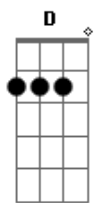

And all of us just looking for some meaning
And while we wait for, for the sweeter days to
Find us
Sha-sha-sha-sha-sha-shake off the devil's best
Lurking
And close your eyes, and let this music go
Through your heart
(Doo-doo, doo-doo, doo-doo, doo-doo, doo)
Stay with me now, oh, oh, oh
Said I know it's hurting, I know it's hurting, I
Know it's hurting

Doo-doo, doo-doo, doo-doo, doo-doo, doo-doo
Doo-doo, doo-doo, doo-doo, doo
I know it's hurting
I know it's hurting
