**E**  
 Ladies and gentlemen, I'm gonna tell you 'bout

**D** **C**  
 One of the many men, name is irrelevant, height is irrelevant

**Am**  
 He was a one out of a ten, I wish that I knew it then

I'm still recovering (uh)

**E**  
 Truly I'm vulnerable, I love a sentiment

**D**  
 Quickly I opened up, I learned my lesson then

**C**  
 Thought I was safe again, thought he was innocent

**Am**  
 I was so wrong

**E** **G**  
 I can't deny, I was stuck in a daze, a terrible phase

**A**  
 You was convincing though, very believable

The role that you played

**E** **D**  
 So I'll take this front row seat

**C**  
 And, baby, baby, you can go ahead

**Am** **E**  
 Cry those Oscar winning tears

**D**  
 Popcorn and I scream

**C**  
 Baby, baby, you can go ahead

**Am** **E**  
 Cry those Oscar winning tears, baby, mm

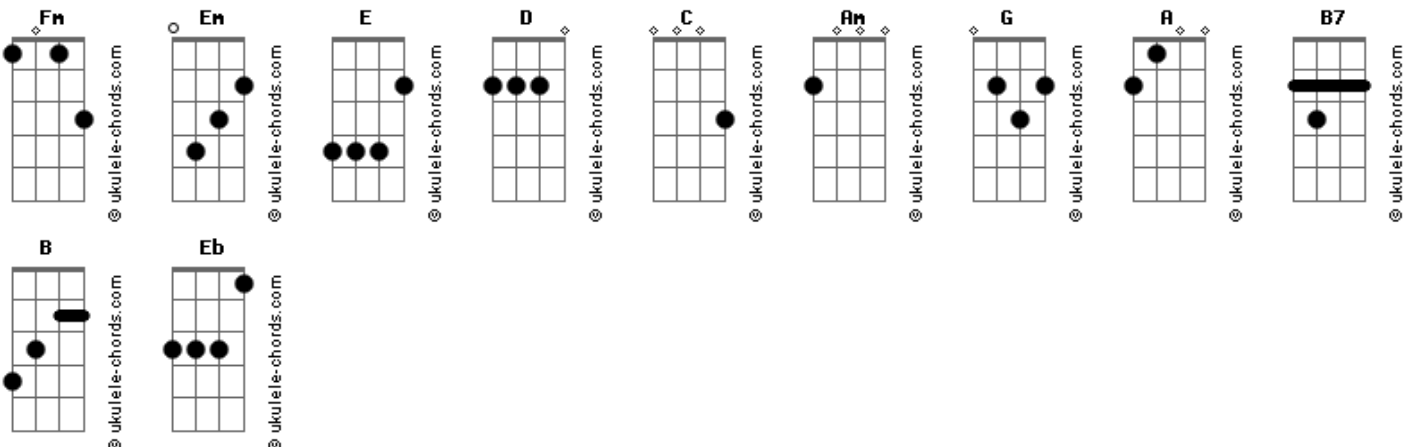

**E**  
 Oh, what a tragedy, it didn't have to be

**D**  
 Look how you talk to me, cursing and blasphemy

**C**  
 Cinematography, get this on camera, please

**Am**  
 Or no one gon' believe this here

## Acordes

I can't deny, I thought you were the man

But you had a plan

**A** **A**

You did it again (yeah-ah-ah-ah)

**E** **D**  
 So I'll take this front-row seat

**C**  
 And, baby, baby, you can go ahead

**Am** **E**  
 Cry those Oscar winning tears

**D**  
 Popcorn and I scream

**C**  
 Baby, baby, you can go ahead

 Cry those Oscar winning tears

**B7**  
 Tears, tears, baby

**C**  
 You can miss me with the bullshit

**B** **B7** **C** **B7**  
 I can see right through your tears, tears, baby

**C**  
 Nine o'clock entertainment

**B7**  
 Oh, man, I wish I could tape it

**Am**  
 Sit down, no tissues

**G** **D**  
 No string section, no tiny violin

**Eb**  
 For the last time, I'm your audience

**E** **D**  
 I'll take this front-row seat

**C** **Am** **E** **D**  
 And, baby, baby, you can go ahead and cry thoose, baby

And, baby, baby, baby, would you really go ahead

And would you go ahead and just

**C** **B7**  
 Cry, cry, cry (tears, baby)?

**C** **B7** **B**  
 Cry, cry those Oscar (Oscar) winning

**C**  
 (Winning) Tears (tears), baby

**C** **B7**  
 (Tears, baby, go ahead, cry those Oscar winning)

**Em**  
 And after his Oscar winning performance

I left the room and never saw him again
