Capostraste na 1ª casa

Intro: G

Oh, no, no, no

No, no, no

Ohh pa pa pah, pa-pah

I hope you're gonna

Ooh, ooh, ooh, ooh

No, no, no, no, my love

You're gonna make it worth

(I'm just gonna tell you how it feel, ooh)

[Primeira Parte]

If my body was a boat, could you steer

That, sailor? (Mmh)

Make me feel like it's a 1960's

Hollywood trailer (old school, I like)

Classic like cars, classic like

Elizabeth Taylor (Taylor)

I need you to romance me, I need a

Giver, not a taker

(Ooh, it's what I need)

Yes, 'cause

I could love you

If I really wanted to

You could be, be my glass of wine

When the sunset, help me

Exhale all the excess

[Refrão]

Baby, bae, b-b-bae-b-b-baby, would you?

Would you make it all right? (Mm)

Or maybe that much better?

If you wanted, you could make it all

Worth it, worth it, worth it, worth it

Ooh, wh?n I see the sun rising, you

Make it that much bett?r

So I hope you're gonna make it all worth it

Worth it, worth it, worth it

Ooh, worth all of the time

I'm 'bout to give you, baby

So I hope you're gonna make it all

Worth it, worth it, worth it, worth it

Ooh, give all of the time

I should be working on me

So I hope you're gonna make it all

Worth it, worth it, worth it (hmm)

[Segunda Parte]

This is the night

(Something 'bout it's making me cry)

My soul, it did decide

(Feel my body shiver in your moonlight)

And I need you to

(Let me have the time of my life)

Checked your credentials, South residential

Ooh, baby boy, you got so much potential

[Pré-Refrão]

I could love you

If I really wanted to

You could be, be my glass of wine

When the sunset, help me

Exhale all the excess

[Refrão]

Baby, bae, b-b-bae-b-b-baby, would you?

(Oh,baby,would you?)

Would you make it all right?

(Would you make it all right?)

Or maybe that much better?

(Maybe that much better?)

If you wanted, you could make it all worth it

Worth it, worth it, worth it

Ooh, when I see the Sun rising

You make it that much better

So I hope you're gonna make it all

Worth it, worth it, worth it, worth it

Ooh, worth all of the time

I'm 'bout to give you, baby

So I hope you're gonna make it all

Worth it, worth it, worth it, worth it

Ooh, give all of the time

So I hope you're gonna make it all

I should be working on me

So I hope you're gonna make it all
