

Razão Brasileira - Telefone

Tom: C

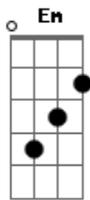

Quando ouvi o telefone tocar
 Corri pra atender, pensando que era você
 Atendi, querendo te falar
 Volte amor, já não dá mais pra aguentar
 Vem me dar um banho de beijos
 Matar meus desejos
 Fazer eu viver

Aquele sentimento profundo
 Pois ninguém nesse mundo
 Faz melhor do que você
 Se você voltar pra mim, meu amor
 Mando a tristeza embora, juro eu vou mandar
 Nessa hora eu vou dizer
 Que não vivo sem você
 A saudade me devora
