

RBD - I Wanna Be The Rain

```
Tom: E
                                                                (refrão)
   (intro 2x) Dbm B A
                                                                I wanna be the rain that falls on you
                                                                Washes away the pain
Its not enough to be the one who holds you
                                                                I wanna be the sun that shines on you
Its not enough to be the one your close to
                                                                Warms your world each day
I wa...nt to be so much more
                                                                I wanna be the sky that holds the stars for you
The love that your living for
                                                                So you never lose your way
The air you breath
                                                                I wanna be the wind that kisses your face
                                                                                          Dbm
I wanna be everything that touches you everything
                                                                I wanna be the rain
I wanna be the rain that falls on you
                                                                And even in your sleep
                                                               When your dreaming
Washes away the pain
                                                                I wanna be the only thing you see
                                        Dbm
I wanna be the sun that shines on you
                                                                Wont you be there in everything
Warms your world each day
                                                                (refrão)
I wanna be the sky that holds the stars for you
                                                                I wanna be the rain that falls on you
So you never lose your way
I wanna be the wind that kisses your face
                                                                Washes away the pain
                                                                                                        Dbm
I wanna be the rain
                                                                I wanna be the sun that shines on you
                                                                Warms your world each day
Its not enough for me to be around you
                                                                I wanna be the sky that holds the stars for you
I wanna be everything that surrounds you
                                                                So you never lose your way
      Ghm
The sun to light up on your skin
                                                                I wanna be the wind that kisses your face
                                                                                          Dbm
Each breath that your breathing in
                                                                I wanna be the rain
Or that you need
                      Abm
                                                                (I wanna be the rain)
I wanna be everything that touches you everything
```
