Tom: B

m  
Intro: Bm G Em Gbm Bm G7 G Em Gbm Bm

Look deep into the April face  
A change is clearly taking place  
Looking for the summer

The eyes take on a certain gaze  
And leave behind the springtime days (Em)  
Go looking for the summer

This ain't no game of kiss and tell  
The implications how you knew so well  
Go looking for the summer

[Solo] G Em Gbm Bm G7 G Em Gb7 Bm

D A

The time has come and they must go  
To play the passion out that haunts you so (Em)(A)  
Looking for the summer

Remember love how it was the same  
We scratched and hurt each other's growing pains (Em)  
We were looking for the summer

And still I stand this very day  
With a burning wish to fly away

(Em Gbm Em Gbm)  
I'm still looking

(Em Gbm)  
Looking for the summer
