Rebecca Kilgore - My Old Flame

Tom: G

```
   G   Gdim Bm
My old flame
  E7    Am        Am        F7  D7
I can't even think of his name
        G          C7   F7      Bb          Gdim
But it's funny, now and then, how my thoughts go flashing back
again
  D   A7   Am    D7  D7/13-
To my old flame
G   Gdim Bm
My old flame
  E7    Am        Am          F7  D7
My new lovers all seem so tame
        G          C7   F7      Bb          Gdim
For i haven't met a gent so magnificent or elegant
   D7  A7    F7
```

As my old flame
Bridge:
```
Bb                          Am        Dbm
I've met so many who had fascinatin' ways
    G7              C          C7
A fascinatin' gaze in their eyes
F7                      D7   G
Some who took me up to the skies
    A7                  D7          Dbm
But their attempts at love were only imitations of
G   Gdim Bm
My old flame
  E7    Am        Am          F7       D7
I can't even think of his name
        G          C7   F7      Bb          Gdim
But i'll never be the same until i discover what became
   Am Dbm      G
Of my  old flame
```
