

Rebecca Parris - Willow Weep For Me

Tom: D

Willow weep for me, willow weep for me
 Bend your branches green along the stream that runs to sea
 Listen to my plea, listen willow, weep for me
 Gone my lover's dream, lovely summer's dream
 Gone and left me here to weep my tears into the stream
 Sad as I can be hear me, willow, weep for me
 Whisper to the wind and say that love has sinned
 Leave my heart a breaking and making a moan
 Murmur to the night to hide her starry light

So none will see me sighing and crying all alone
 Weeping willow tree, weeping sympathy
 Bend your branches down along the ground and cover me
 When the shadows fall, bend, oh willow, and weep for me
 Whisper to the wind and say that love has sinned
 Leave my heart a breaking and making a moan
 Murmur to the night to hide her starry light
 So none will see me sighing and crying all alone
 Weeping willow tree, weeping sympathy
 Bend your branches down along the ground and cover me
 When the shadows fall, bend, oh willow, and weep for me
