Rebecca Sugar - Steven Universe - Escapism

```
                          tom:
                 Am                   [Intro] C7M   C  F7M
        C7M   C  F7M

  C7M           F7M
I guess I have to face
      C7M           F7M
That in this awful place
  C7M           F7M
I shouldn't show a trace
  E    E7
Of doubt
     Am               D7
But pulled against the grain
  Am            D7
```

```
I feel a little pain
      Am            D7      F7M
That I would rather do without

I'd rather be
F7M    F   C7M    D7  F7M
Free - ee,   free - ee, free

I'd rather be
F7M    F   C7M    Eb     F7M
Free - ee,   free - ee,    free
F7M    F   C7M    Eb     F7M
Free - ee,   free - ee,    free
                  F
From here
```
