Bm  
I met this girl along the rails  
D  
She faced me as we rode  
A  
The last nights train as roads should end  
Em G  
In a place I dont call home

Bm  
I did not know her what are the chances  
D  
Our paths should cross again?  
A  
Her eyes stood like the ocean tides  
Em G  
And she look at me and said

Bm D  
Life is a train rolling down the road  
A Em  
Where we stop nobody could know  
Bm D  
Take this glimpse of happiness we have  
A Em  
Wear it on your smile, love is all we share

Bm  
Our legs became cold and strange  
D  
As the two knees found their way  
A  
To link ourselves like no one else  
Em G  
So freely and unashamed

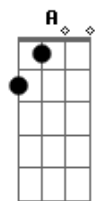

Bm  
I bowed my head down and sense it somehow  
D  
That she was just like me  
A  
For her feet, like mine, were beat  
Em G  
From dancing through the streets

Bm D  
Life is a train rolling down the road  
A Em  
Where we stop nobody could know
