Rebelution - Bump

Tom: <mark>C</mark> Intro: 0:02		1:56
Am Em		Am G Em
EIII		
0:14		Am Ill be shouting with my hands in the air, I dont care what they say, stop the hate,
Am Em	G	G
Am		Em Ill replace it with my eyes focused in on a place, designed to keep a peace and refrain race killing race, oh my god,
So hear me now while allowed, its a good time, to tell you when to smile, not to frown, you are all shot down		Am did you hear? The time it takes for me to make a difference is a near, And Im going to
<pre>G Em and you might ask how, Time flies by and you just found out, You are almost to the point</pre>		on trying because there G Em
Am where you cant turn back, Youve got a leveled head on a one- way track, Dont tell me theres an		aint nothing I fear, On the real, hide the tears, Well keep it flowing with a beat right here, 2:34
G Em		Am
end to a road, Your goal set on hold, Dont think that you ca go alone Okay		G This is what Ill say to you, This is my advice for you,
Am But keep me up to date, I promise you Ill never lose the fait when you get up, go on escape, to a		
G Em scary world, The old cliche is true, You do what you got to do, Im trying to put out something new,		G Em Show me love and Ill come through This is what it comes down to wo yeah
Am		2:46
Im always at the edge of my seat, constantly containing that kinetic energy, constantly Im		Am G This is what Ill say to you, This is my
G reigning in the sweet melody, Im humming tunes to sleep, Wate me hit the peak and Ill stay up for		advice for you,
1:17		<mark>G</mark> Show me love and Ill come through, this is what it comes down
Am G		to wo yeah
good This is what Ill say to you, This is my advice for you,		SOLO
		2:59
G Em Show me love and Ill come through, this is what it comes down to wo yeah		
1:30		
Am G		
This is what Ill say to you, This is r advice for you,	my	
G		3:55
Show me love and Ill come through This is what it comes down to wo yeah		
1.42		4:01
1:43 Am	G	4:04
