

# Red Hot Chili Peppers - Black Summer

tom: Ebm

A lazy rain am I  
The skies refuse to cry  
Cremation takes its piece of your supply

The night is dressed like noon  
A sailor spoke too soon  
And China's on the dark side of the moon

(Hit me now)  
B ? Gb - C#- Eb  
Db - Ab - Eb

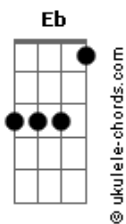

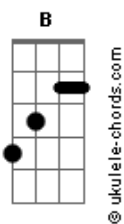

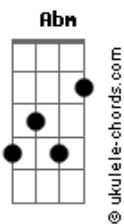

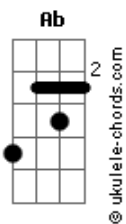

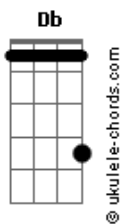

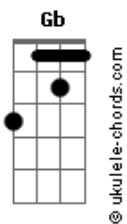

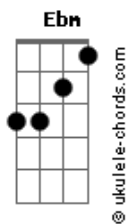

Platypus are few  
The secret life of roo  
A personality I never knew

(Get it on)  
My Greta weighs a ton  
The archers on the run  
And no one stands alone behind the sun  
[Refrão]

It's been a long time since I made a new friend  
Waiting on another black summer to end  
It's been a long time and you never know when  
Waiting on another black summer to end

Crack the flaming whip  
Sailing on a censorship  
Riding on a headless horse to make the trip
