Straighter rays, you find a way to twist them
                                                              Em
                                                                  Dm Em Dm
                                                                                    Dm
                                                             Babe I know love is a funny thing
Some like it dark and now I know where to
Ayo ayo ayo, find you
                                                              Born to die in the eternal spring
                                                              [Terceira Parte]
Serpentine, I think she was an Aussie
                                                              Your flickering is more than just a small flame
C F
Bloody hell, a common kamikaze
                                                              Welcome to the party, it's a ball game
Give up the ghost before you go under
                                                             Pick up the stick it's time to get hit with
Ayo ayo ayo, wonder
                                                              Ayo ayo ayo, my bat
Kicking hard and looking for a rescue
Watch me starve was never to impress you
                                                              Suicide is never gonna save you \\
I would have killed the part of me to have you
                                                              When I cried, it was because I came too
Ayo ayo ayo, story
                                                              You are the one I want to know right now
[Refrão]
                                                              Ayo ayo ayo, kiss this
                                                             Say goodbye my love
I can see it in your soul
Am C
                                                              [Final] Am C
Say goodbye my love
Thought that I could make you whole Am C F
                                                                     Am C G F
Let your lover sail
                                                                     Am C G F
Death was made to fail
```
