

# Red Hot Chili Peppers - I Could Die For You

Tom: **A**

[Intro:] **A**

**Gbm Db7**  
 Something inside the cards I know is right  
**Gbm**  
 Don't want to live  
**Db7**  
 Somebody else's life  
**A**  
 This is what I want to be  
**Bm**  
 And this is what I give to you  
 Because I get it free  
**A Bm**  
 She smiles while I do my time

[pre-chorus]  
**A E Bm Gbm**  
 I could die for you  
**A E Bm**  
 Oh this life I choose

**Gbm Db7**  
 I'm here to be your only go-between  
**Gbm Db7**  
 To tell you of the sights these eyes have seen  
**A**  
 What I really want to do is  
**Bm**  
 Turn into the motion  
 beauty that I can abuse  
**A Bm**  
 You know that I use my senses to

**Db7**  
 You can see that it's  
**A**  
 only everywhere  
**Db7**  
 I'd take it on and then  
**A**  
 I'd find a way to share

**E**  
 Come along and go  
**D**  
 Along with me  
**E**  
 Wonder with me yo  
**D**  
 It's all for free

[chrous] x2  
**A E Bm Gbm**  
 I could die for you  
 (What you wanna do)  
**A E Bm**  
 Oh this life I choose

**Db7**  
 Come again and tell me  
 where you wanna go  
**D**  
 What it means for me  
 To be with you alone?  
**Db7**  
 Close the door and

No one has to know  
**D E**  
 how we are

**E**  
 Come along and go  
**D**  
 Along with me  
**E**  
 Wonder with me yo  
**D**  
 It's all for free

[chrous] x4  
**A E Bm Gbm**  
 I could die for you  
 (What you wanna do)  
**A E Bm**  
 Oh this life I choose

## Tablatura

-----
