Red Hot Chili Peppers - Long Progression

```
Tom: C
                                                             All about the aftershock
Intro: E7(#9) E Eb Bb
                                                             Swedish flight and superbug
G
                                                             Fb
                                                             Moses of Manhattan made it great
Smile
       D
                                                                 D
When im shying when
                                                             Then we celebrate
      F
                                                                  F
                                                             And i love
But i love
Em
                           D
                                                                 Em
Everything of first impressions
                                                              The long progression
                                                                       D
                                                              С
                                                              Indiscretion
Sweet succession
E7(#9)
                                                                           D
                                                              F.
Been around for quite a while
                                                              Bishop takes a knight
                                                                       Α
                                                                                      G
I see you kept it versatile
                                                              But i will put up quite a fight
                                                              C
                                                                      Fb
                                                                                Em
Motivated to combine
                                                             Here's your ham on rye
                                                                          D
Even when it's bad it's fine
                                                              Elementary the chemistry
Eb
                                                              Α
                                                                               G
Did you say something that made you cry
                                                             Means everything to me
       D
                                                                         Eb Em
                                                              С
Have you lost it all
                                                              Long progression's why
      E.
                                                                          D
                                                              F.
Love it falls
                                                              In between the reason's of
Em
                                                                Α
                                                                           G
                                                              The psychedelic seasons
Oh so slowly
