

# Red Hot Chili Peppers - Nevermind

Tom: **B**

I think this song is played with chorus and maybe a slight distortion.

Verse

Chorus

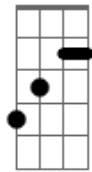

Guitar Solo: The x could be some weird harmonics, I don\_t know.

Bass Main Riff: Either you play the x or as I usually do, I play the open A-String to get a nice pedal tone.

p S p S                      p S p S

## Acordes

**B**
