=====

C G  
This is my time  
This is my tear  
I can see clearly now  
That this is not a place  
For playing solitaire  
Tell me where you want me  
This is my time  
This is my tear

Comin' on strong  
Baudelaire  
Seems to me like  
All the world gets high  
When you take a dare  
Let it rise before you  
This is my time

C C ]  
All in all I'm ]  
Am G ]  
Loving every rise and fall ]  
F Em ]  
The sun will make and I will take ]  
Dm G ]  
Breath to be sure of this ]  
C C ] Refrão  
In the end ]  
Am G ]  
All will be forgiven when ]  
F Em ]  
Surrender rises high and I ]  
Dm G ]  
Gave what I came to give ]  
Am Am ]  
Say it now because you never know ]

Devil may cry devil may care  
Distiller's got a scream  
And now I know just why  
When she's movin' air  
Can you feel the voltage  
This is my time

=== SOLO 1 ===

California skies  
Got room to spare  
This is my time

[Refrão]

=== SOLO 2 ===

Take it outside  
Take it out there  
Seems to me like  
All the world gets high  
When you take a dare  
In the final moment  
This is my time  
[Refrão]

Fim: Am

=====

Solo 2 (3:16 - 3:59)

Na verdade, o guitarrista parece tocar as notas acima (ou acordes com sonoridades muito parecidas) diversas vezes, muito rapidamente.
