Red Hot Chili Peppers - The Shape I'm Takin'

```
                    tom:
                     F
Intro:  C  Dm  C  Dm  C
```

[Primeira Parte]

```
Dm                                      F        Gm
Bb
 You wanna beat it but you're never gonna leave this town
Dm                                   F        Gm   Bb   C
 In the jungle where the fever comes immediate ground
Dm                                           F
 I'm alone with all my friends, firewood's to the pussy den
Gm                              Bb               C
 Shakin' up that new West End, don't get too close, my style
bends
Dm                                           F
 I'ma do my thing this time, hurtin', we're the Serpentine
Gm                 Bb           C         Dm
 Everything we overheard, pizza's free on thirtythirtythird,
third, third
```

[Refrão]

```
 Eb        F       Gm        C
Don't you love me, baby? The shape I'm takin'
Eb                     F               Dm    Eb
After lettin' go, the trouble funk is on the floor, oh my
children
              F       Gm        C
Don't you love me, baby? The shape I'm takin'
 Eb                F                        Gm    C
Jungle at the disco, jungle's what they came before
```
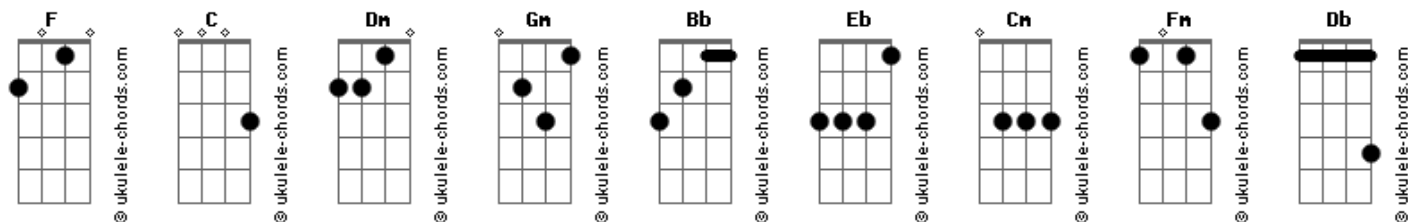

[Segunda Parte]

```
Dm                               F        Gm    Bb
C
 The beat is tricky but you're never gonna move it around
Dm                                       F        Gm
Bb     C
 You're dressin' up when you really should be dressin' down
Dm                                           F
 You know my one last nerve, ring my bell on Dead Man's Curve
Gm                           Bb             C
 Pick 'em up your make the queen a super walk is so obscene
Dm                                           F
```

```
 Gonna do your thing this time, Misai river, box of wine
Gm                               Bb            C
Dm
 Throw it up, it's time to serve, pizza's free on
thirtythirtythird, third, third
```

[Refrão]

```
 Eb        F       Gm        C
Don't you love me, baby? The shape I'm takin'
Eb                     F               Dm    Eb
After lettin' go, the trouble funk is on the floor, oh my
children
              F       Gm        C
Don't you love me, baby? The shape I'm takin'
 Eb                F                        Gm
Jungle at the disco, jungle's what they came before

( Cm   Bb   Fm )
```

[Ponte]

```
Cm                       Bb                   Fm
 You wanna beat it but never gonna leave this town
Cm                     Bb                       Fm
 You're dressin' up, you really should be dressin' down
Db            Eb                      F     C
 In the jungle, people talkin' me a crown
```

```
[Guitar Solo] Dm  F   Gm  Bb  C
              Dm  F   Gm  Bb  C
              Dm  F   Gm  Bb  C
              Dm  F   Gm  Bb  C
              Dm
```

[Refrão]

```
 Eb        F       Gm        C
Don't you love me, baby? The shape I'm takin'
Eb                     F               Dm    Eb
After lettin' go, the trouble funk is on the floor, oh my
children
              F       Gm        C
Don't you love me, baby? The shape I'm takin'
 Eb                F                        Gm
Jungle at the disco, jungle's what they came before
