Riff 3:

Riff 4 (Feito pelo Baixo. Este Riff é tocado por toda a música!!):

Acordes usados na passagem acústica:

Música

Intro: Riff 4 Riff 1

Riff 1(2x)
this is the place
where all the junkies go
where time gets fast but everything gets slow

Riff 1(2x)
can i get some vabeline
step into a modern scene
take a chance on that
which seems to be
the making of a dream

Riff 1(2x)
i don't want to do it
like my daddy did
i don't want to give it
to my babys kid

Riff 2(2x)
this is my calling

Riff 1(1x)

Riff 1(2x)
this is the place
where all the devils plead

their case to take from you
what they need

Riff 1(2x)
can i isolate your gene
can i kiss your dopamine
i a way i wonder
if she's living in a machine

Riff 1(2x)
i don't want to say it
if it isn't so
i don't want to weigh it
but i've got to know

Riff 2(2x)
this is my calling
[Passagem]: Riff 3(2x)

F **C** **Am**
i saw you out there yesterday
what did you want to say

F **C** **Am**
a master piece of DNA
caught in a flashing ray

F **C** **Am**
i caught you out there in the fray
what did you want to say

F **C** **Am**
a master piece of DNA
caught in a flashing ray

Riff 4(2x)
can i smell your gasoline
can i pet your wolferine
on the way my best friend died
i could not get my copper clean

Riff 1(2x)
i don't want to take it up
with little joe
i don't want to fake it
so i've got to go

Riff 2(2x)
this is my calling...

Riff 3(1x)
i am a misfit
i'm born with all of it
the fucking ultimate
of love inside the atom split

Riff 3(1x)
i'm in a flash ray
a mash of DNA
another's poppin jay
who thinks he's got
something to say

Final: Riff 3(2x)
