

# Red Hot Chili Peppers - Time

Tom: **A**  
Intro: Muted either use delay or repeat this  
The "x"s by the way are blocked strings

PRE CHORUS : Wierd funky bass here barely hear the lead  
anyway pick this near bridge to get twangy  
sound delay here again

CHORUS : all over .....

SOLO :

Thats it comments complaints address above.

Damn froosh and his delay... I say it's not needed if you  
practice the rythm.  
It's 1:00 AM so this is probably off some.

Intro:  
Verse

Chorus (Right Channel)

Bridge

Outro (Reat each line a few times)

version 3 :  
Intro:

Verse

Warp Time...

Chorus

You probably know the rest
