

# Red Hot Chili Peppers - We Believe

Tom: **G**

Intro: **Em Bm** (4x)

(**Em Bm**)  
The curtain  
Is open  
A head to  
Put dope in  
Now we will  
Come clean it  
The future  
We've seen it  
No, no ,I know, I say no no

(**Em Bm**)  
It's like a dream  
That falls away  
Into the night  
Where we can play  
I'm on a train  
One happy day  
Two eyes for sign  
Three times I pray

(**Em Bm**)  
Soda pop  
We've got to set up shop  
And when the weather comes  
We've got a pressure drop  
We don't know  
But everyday I go  
To see what I can bring  
Into a cameo  
Oh oh oh no  
**Em** **G** **Am** **G**  
We believe, We believe  
**Em**  
Climb a tree For monkey business  
**G**  
Write a check out to forgiveness  
**Am**  
All the world on half an acre  
**G**  
Pushing dirt into a Quaker

(**Em Bm**)  
The mission  
The method  
The downfall  
Arrest  
?Cuz it's now

The first time  
Nor is it  
The worst  
No no oh no

(**Em Bm**)  
To see the bird  
Without a care  
For in a word  
It's nice out there  
In a tree  
My mama bear  
Will be all right  
With proper care  
(**Em Bm**)  
Hey hey hey do

**C D C D Em Bm Em Bm**

(**Em Bm**)  
Boomerang  
Into a bigger bang  
A little cry of love  
Because they cannot sing  
Cherokee  
What did the pharaoh see  
Another time and space  
Another place to be  
(**Em Bm**)  
The motive  
The measure  
The purpose  
The pleasure

(**Em Bm**)  
The risk in  
It worth  
The disc is  
It perfect

(**Em Bm**)  
I found you  
Amongst them  
The flower  
With young stem

(**Em Bm**)  
Disparage  
The broken  
The marriage  
Elpin?

## Acordes
